A large, bold, black cursive Japanese character 'ト' (to) is centered in the first column. It consists of a vertical stroke with a small horizontal tick on the right side near the top, and a long, thin tail extending downwards.

to

A large, bold, black cursive Japanese character 'マ' (ma) is centered in the second column. It features a horizontal top stroke that curves downwards on the right, followed by a diagonal stroke that curves back up and to the left, ending in a small hook.

ma

A large, bold, black cursive Japanese character 'ト' (to) is centered in the third column. It is identical in form to the character in the first column, consisting of a vertical stroke with a small horizontal tick on the right side near the top and a long, thin tail extending downwards.
