

The image shows two calligraphic characters in black ink. The first character is 'い' (i), which starts with a thick, curved stroke that tapers to a point. The second character is 'ゝ' (x), a smaller, curved stroke that also tapers to a point.

I

The image shows a single calligraphic character 'す' (su) in black ink. It features a thick, curved vertical stroke that tapers to a point at the bottom. A horizontal stroke crosses the vertical one near the top, and a smaller, curved stroke is positioned below the horizontal one, creating a loop-like shape.

SU
