

A large, bold, black cursive Japanese character 'う' (u). The character is formed by a single, continuous, thick stroke that starts with a small hook at the top, curves down and to the left, then loops back up and to the right, ending in a sharp, downward-pointing tail.

u

A large, bold, black cursive Japanese character 'み' (mi). The character is formed by a single, continuous, thick stroke that starts with a small hook at the top, curves down and to the left, then loops back up and to the right, crossing itself, and finally ending in a sharp, downward-pointing tail.
