

A large, black, cursive Japanese character 'み' (mi). The character is written with a thick, expressive brushstroke. It starts with a downward stroke that curves to the left, then loops back to the right, crossing itself, and finally ends with a sharp downward-pointing tail.

mi

A second, identical large, black, cursive Japanese character 'み' (mi), positioned to the right of the first one. It features the same thick, expressive brushstroke style with a downward curve, a loop, and a sharp tail.
