

## Japanese Film Festival 2022 Sydney Volunteer Callout

The Japanese Film Festival (JFF) is coming back to Sydney in December 2022 and we are looking for enthusiastic volunteers!

The JFF program will feature recently released Japanese films showing from 7 to 11 December 2022 at Palace Norton St and Verona, and the free Special Series program showing on 12-14 December at Palace Chauvel!

If you're passionate about Japanese culture, want to meet like-minded people, and want to work behind-the-scenes of a major event, then why not sign up as a volunteer via this [form](#)?

### **FESTIVAL VOLUNTEERING DATE: 7 December 2022 (Opening Night)**

Our JFF Opening Night festival volunteering aims are to promote the Japanese Film Festival's program by introducing JFF to Palace Norton St cinema patrons and answering to general inquiries while tending the JFF Information Desk at cinema venues.

Other tasks include ushering and front-of-house duties, assisting JFF Staff with VIP check-in, inviting guests to take the online survey via the QR code mini-posters, helping with queue management and general event management, including set-up and pack-down.
